WELCOME TO THE CARNIVAL GAME

Another year of football begins tonight with the annual Carnival Game, hosted this year by Mt. Whitney.

This year should prove to be an exciting one in that neither of the teams quite know what to expect in the new Western Yosemite League.

It's taken much preparation to get this, as the other seasons, off to a good start. While the team was practicing, others were out selling ads, working on routines, marching in the hot sun.

In this and the programs which follow, we will try to capture in pictures what it takes to make a team. Starting with this issue, the team, and following it up with the yell and song leaders, the band, and you, the supporters of the teams.
